

VaultSM Payroll

House Moms, Cooks & Servers, Maintenance Men and Housekeepers...we can't make their jobs any easier, but we can help you pay them on-time! Bill Pay customers can enjoy the convenience of viewing processed employee payroll through Vault.

Benefits

- OmegaFi facilitates all communication with ADP, a leading national payroll provider.
- You enjoy the security of knowing that payroll is calculated properly, taxes are accounted for and your hard working employees are paid on time.
- Convenient and timely W-2's are available at year end.
- You can manage your chapter receivables and payables through one, convenient Vault interface integrating payroll within expenses related to Bill Pay.
- Payroll information is accessible to all involved chapter administration and historical reporting is always available.
- Managing your payroll via Vault will help provide all that is needed for year-end tax reporting.
- ADP's RUN Interface offers 3 levels of access. Level 1: View Only, Level 2: Payroll Entry, Level 3: Payroll Entry & Employee updating.
- Direct deposit services are available for subcontractors and 1099's would be issued and sent each tax year. Additional fees would apply.
- Add ADP's HR411 for online and easy to use human resource tools to include fundamentals and training, state compliances, unemployment filings and handbook and job description templates.
