CHAPTER SET UP

Welcome to OmegaRecruit! Chapter administrators will be kept in the system year after year. If this is your first time logging in this semester, here's what you'll see:

WELCOME TO OMEGARECRUIT

We're eager to help you have an amazing recruitment this year!

If you are a veteran user of OmegaRecruit you might notice that things look a little different in OmegaRecruit this year. To continue to provide you with cutting-edge technology, a great user experience, and solid customer service, we've made some recent improvements:

1. We've redesigned the look and feel for a more modern aesthetic. Navigation shortcuts are now on the left. To log out or switch chapters hover over your name in the upper-right.
2. A new Chapter Hub can show you summary data about your recruitment so far.
3. You can quickly launch a PNM Sideshow directly from the PNM list without having to download a PowerPoint (though that's still an option on the "Print Report" page).

If you are new to OmegaRecruit, then we're glad to have you with us for the first time this year! If you need help along the way, make sure to take advantage of our wonderful Tutorial Video on the "Join Me" page, and if you need to reach out to us directly, you can do so by clicking the Support Envelope on the bottom-left.

Let's get started!
