OMEGAFI®

RELEASE NOTES

**OmegaFi is busy working for you.
Check out our recent product updates!**

ICS

ICS now requires PNMs to **make ALL selections before RFMs can process**, improving the RFM experience and making ICS easier to use. [Learn more.](#)

OMEGAFI®

FSL Advisors can now make **individual PNM schedules for their first round** in ICS. This update allows advisors to edit schedules for PNM conflicts. [See what it's about.](#)
